Dear Alan,

Re Testimonial

Being frequently off Island and extremely busy during the working week I have truly come to appreciate the services offered by Airport Secure Parking. Both the cost savings and the efficiency of service has helped and impressed me and my colleagues. Additionally I was grateful for the repairs arranged to vehicles where needed. Not only were competitive prices presented for the repairs, a great deal of time was saved.

The collection of my vehicle from its annual service in Douglas and leaving it at the airport to await my return was a further illustration of the phenomenal mile service and really impressed me.

Yours sincerely
